

Twin City Elementary School AAP
Goals and Strategies for Realizing our Current-Year Vision
For Year: 2023-2024

GOALS In order to achieve our three-year goals, THIS YEAR, students will... <i>Imagine a student sitting in a seat in your classroom; what will they do?</i>	STRATEGIES In order to achieve our three-year goals, THIS YEAR, teachers will... <i>Imagine a teacher providing instruction in front of their class; what will they do?</i>
MATHEMATICS	
<p>Students will engage in whole-group instruction based on grade-level standards to gain mastery of math content.</p> <p>Students will engage in flexible intervention groups in order to address learning gaps in number sense.</p>	<p>Staff will collect formative assessment data during whole group instruction to address student needs during Tier 1 instruction.</p> <p>Staff will provide flexible Tier 2 and Tier 3 intervention groups in order to address learning gaps in number sense using readiness standards.</p>
LITERACY	
<p>Students will engage in whole-group instruction aligned to standards to gain word recognition and language comprehension skills.</p>	<p>Staff will collect formative assessment data on word recognition and language comprehension skills to address student needs during Tier 1 instruction.</p>
MULTI-TIERED SYSTEMS OF SUPPORT (MTSS)	
<p>Students will receive and participate in behavioral supports aligned to a behavior-tiered framework in order to increase engagement.</p> <p>Students will participate in social/emotional character development lessons aligned with our Comprehensive School Counseling Program in order to develop skills and foster a sense of belonging.</p>	<p>Staff will collect data in order to design behavior supports aligned to a tiered framework so that attendance and engagement increase.</p> <p>Staff will provide social/emotional character development lessons that support the well-being of students and foster a sense of belonging.</p>
